

The St Johns County Council on Aging has provided services for over 35 years to help seniors remain independent. As our county has grown, so has its senior population, and today the COA offers Meals on Wheels, transportation, social services, prescription drug assistance, international travel, and a myriad of other opportunities and assistance through a network of both professional staff members and volunteers.

***Our vision states that we proudly provide:***

“The opportunity for every person in St. Johns County to enjoy wellness, longevity, and quality of life choices within a strong, healthy community.”

As our elder community expands, we continue to seek creative and innovative ways to encourage active aging through healthy lifestyles, inspirational learning experiences, and the opportunity to socialize in a convenient, secure, recreational environment.

**BE COUNTED**  
 1,000 friends are worth \$1,000,000

*River House*

Please read on for information about a once-in-a-life-time opportunity to be counted among the most caring community members in St. Johns County.

It's just this simple. One thousand people, giving \$1,000 each, adds up to \$1 million. And \$1 million will make the new River House Community Center a facility like no other.

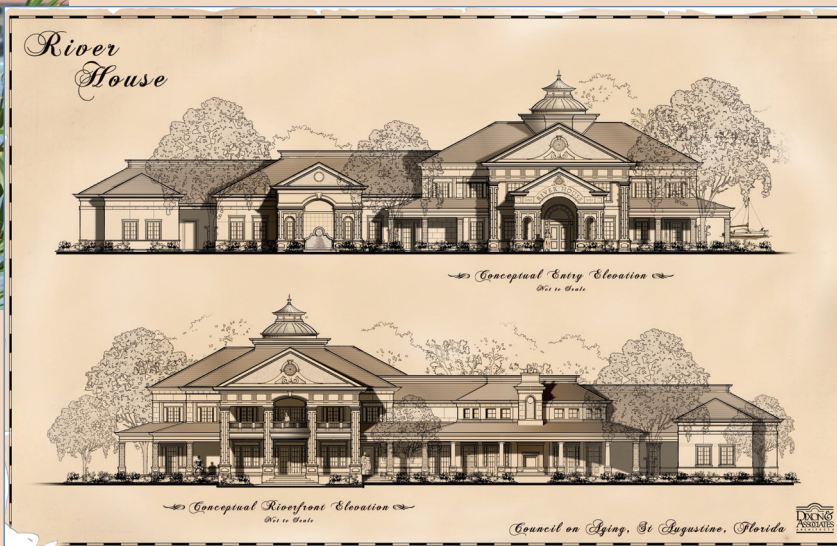

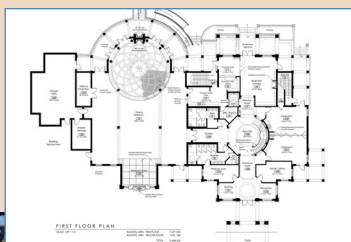

When completed in 2009, River House will provide a unique waterfront setting for:

- Seniors to dine, exercise, socialize, learn, and remain vibrant and engaged
- The public to celebrate milestone events like weddings, anniversaries, annual meetings, and more
- Community groups to meet at the only river-front facility that offers on-site parking and catering services

Inside and out, River House will feature a uniquely Old Florida look, both inviting and distinct.

The interior will offer a spacious and welcoming environment for dining, meeting, and activities. Quiet corners for reading, private conversation, and serenely taking in the view, will be available.

Outside, the gracious grounds will offer a gazebo, dock platform, and gardens to enjoy the shores of the beautiful Matanzas River and its vista of sailboats, shorebirds, and sky. Outdoor meeting accommodations will also be available.

The 1,000 friends of the COA who share our vision for River House will always be proud to have been part of something so beneficial and esteemed in our community.

If you choose to be counted among them, your name, or the name of someone you honor, will be included on the tribute wall just inside the main foyer.

Because we want as many people who would like to support us as possible to be able to do so, we offer a variety of ways for you to make your gift. It can be a lump-sum check or credit card payment, but we have also set up installment payments that can be extended monthly over one or two years. All donations are tax-deductible.

**Of course, we welcome gifts larger than \$1,000 as well and are providing naming opportunities for key areas of River House. If you would like to be contacted personally to discuss a gift of this type, please let us know.**
